

28 August 1975

MEMORANDUM FOR: Executive Officer, IC Staff

SUBJECT: USIB/IHC Weekly Activities Report

I. NEW ITEMS

1. NPIC New Data System

STAT
STAT
Met with NPIC New Data System contractor (GE),
[] of NPIC and [] of ICS to provide the
contractor with our view of the imagery world and the
future needs and design of the system. Action officers:
IHC/ []

II. ON-GOING ITEMS

1. Project CONTEXT

STAT
Briefed and provided a demonstration for three
members of JCS (J-3) on the Project. Received an
affirmative response from State on participation in
the Project; DIA and JCS (J-3) formal responses not yet
received. Agenda prepared and forwarded for a 3 Sept.
meeting of all proposed participants for the purpose of
developing a common agreement on the details of the
Project. A formal agreement between NSA and ICS is in
preparation. A meeting was held with NSA/NSOC in
connection with this agreement. Action officers: IHC/
[]

2. Washington Area Image Transmission System (ITS)

STAT
Work continues on the ITS Working Group report.
Briefings were conducted for ORD and discussions were held
regarding the development of a test plan for the system.
ORD has given preliminary assent to its development of
the test plan. A meeting and briefing was also held with
IAS to elicit its comments and input to ITS. Preparations
are underway for briefing the IR&D Council on ITS at its
9 September meeting. Action officers: IHC/ []
[]

3. Community Bibliographies

STAT Provided PRD with IHC comments and draft staff study on Community Bibliographies for its use in commenting on this subject which was included, inter alia, in a proposal for a "Users Handbook" forwarded by ASD(I). Action officer: IHC/[]

4. Micrographics Working Group

STAT The first meeting of the IHC Micrographics Working Group will be held on 10 September. Notice of the meeting and proposals for discussion were forwarded to the members. Action officer: IHC/[]
